

Program: Grade 8/9 Math Dev & Tuition

Learner: _____

Terms and Conditions for Enrollment in this Public Tuition Program:

1. The following details the terms and conditions per learner enrolled for the Grade 8-9 Maths Development Program and Tuition.
2. Learners may trial the first three sessions subject to paying the applicable registration fee.
3. A registration fee of R425 for new students.
4. Returning learners pay a registration fee of R 325.
5. Failure to attend 6 or more sessions may lead to a learner's dismissal from the program.
6. Fees are payable in advance either via EFT / Debit Order / Cash according to the following table. This is applicable for learner joining from the start of the program or during the first two sessions.

	Debit Order / Early EFT	EFT	Cash
Total program cost – approx. 70 sessions excl. reg.	R 5,000	R 5,346	R 5,600
Registration fee	R 425 / R 325	R 425 / R 325	R 425 / R 325
Installments excl. registration fee	R500 X 10 months	R891 x 6 months	R1400 x 4 quarterly payments

7. Learner's who join after the start of the program will receive a customized bill that considers the appropriate lesson charge, registration fees and their method of payment.
8. Cancellation: In the event that a learner cancels registration, 1 month's notice must be given. The learner will be entitled to attend sessions for the month since the notice was received and will be billed until the last session attend (i.e. the month after the notice was received).
9. Since the program is based on an installment plan, fees may be due to YaleSA or the client when the cancellation is received. If fees are due to the client, we will refund the client. If fees are due to the Academy, this will be deducted as the final payment. Note that this require manual reconciliation as some months have more sessions than others.
10. It is important to understand that payment is based on an installment plan, rather than a monthly charge in order to make administrative matters easier.
11. Learners will not be admitted to classes if fees are not up to date and all paperwork completed.
12. This program does not include the NBT preparation sessions which are billed separately.
13. This program does not include unlimited access to the YaleSA study hub.
