## Winter School 2018 Programs

25 June - 6 July (Grades 10-12)

### **PROGRAMS' SYNOPSES**

The Winter School Programs currently has separate classes and programs for learners from grade 10 to 12. Our philosophy is to go beyond the mere study guide and textbook methodologies and encourage critical thinking. Whilst the Winter School Program offers techniques and methodologies for answering exam questions in senior programs, our tutors place great emphasis on the understanding of concepts rather than the mere memorization of methods for completing examinations.

The available programs are as follows:

#### **Grade 10, 11 and 12 Winter School for Maths and Science**

- Specialized classes
- All notes & workbooks included
- Teaching and revision
  - Complete grade 12 syllabus taught and revised in 10 sessions (grade 12 program)
  - Teaching of essential content and revision of terms 1-3 for grade 10 and 11 programs
  - Separate programs for each grade
  - Includes fun experiments and investigations
- Taught by experienced and expert teachers and tutors with over 800 practice questions
- Excellent track record, operating since 2008
- Hosted from 2009-2014 at University of Cape Town
- Maths & Physics Offered
- Six months access to the propriety YaleSA online resource library (grade 11s and 12s)
- 10-day program

#### **SUBJECTS AVAILABLE**

GRADE 11 AND 12: MATHEMATICS AND PHYSICAL SCIENCES

GRADE 10: MATHEMATICS AND PHYSICAL SCIENCES

---

#### **Our Values: Faith, Knowledge, Action and Community**

*YaleSA aims to create enabling spaces for young leaders to develop their  
academic, cultural, service, leadership and entrepreneurial abilities.*

*To grow their skills, knowledge, values and character in order to actively address the challenges that face our world.*
